River Consulting Names Edward Wiedeman Senior Civil Engineer

NEW ORLEANS, LA – Edward Wiedeman has been named Senior Civil Engineer for River's New Orleans office, located at #5 Sanctuary Blvd., Suite 101, Mandeville, LA. River, which originated in New Orleans in 1981, serves local, national and international Clients with multidiscipline engineering, consulting and project management services. In his new role, Mr. Wiedeman will continue to work on projects with a significant civil engineering component for the office utilizing more than 25 years of experience as a consulting engineer.

Mr. Wiedeman has participated in a wide array of engineering projects including site development, drainage systems, bulk terminals, utility systems, port facilities, and petrochemical plants. He has served as a Project Manager, Department Supervisor and Engineering Manager for projects in a variety of industries and government. Mr. Wiedeman earned a Bachelor's degree in Civil Engineering from the University of Southwestern Louisiana.

River Consulting is a multidiscipline engineering, consulting and project management firm recognized nationally by *Engineering News Record* as a Top 500 design firm and by ZweigWhite as the 14th fastest growing A/E firm in North America and Canada. The firm's comprehensive experience spans 27 years, six continents, and 57 countries. Offices include Columbus, Ohio; New Orleans, La.; Pittsburgh, Pa.; Houston, Texas; and Salt Lake City, Utah. Visit riverconsulting.com for more information.
